POLICY CONTRACT

This Policy Contract governs AIA Pro Achiever Invest, an investment-linked insurance plan. It should be read together with the Product Summary, Fund Summary, and Fund Fact Sheets for each sub-fund selected.

DEFINITIONS

'Account Value' means the total value of units allocated to the Policy across all sub-funds, valued at the prevailing bid price on the relevant valuation date. 'Sum Assured' means the death benefit sum insured selected at application, excluding Account Value. 'Critical Illness' means one of the illnesses defined in Appendix A of this Contract, diagnosed in accordance with the stated definitions.

SECTION 1 - PREMIUM ALLOCATION

Premiums received are used first to deduct insurance and policy charges, with the balance allocated to purchase units in the Policy Owner's selected sub-funds at the offer price prevailing on the next valuation date after premium receipt.

SECTION 2 - DEATH BENEFIT

On death of the Life Assured while the Policy is in force, AIA pays the higher of (a) the Sum Assured plus Account Value, or (b) 101% of Account Value, less any partial withdrawals and outstanding charges.

SECTION 3 - CRITICAL ILLNESS BENEFIT

On first diagnosis of a covered Critical Illness, AIA pays the Critical Illness Sum Assured. The Death Benefit Sum Assured is thereafter reduced by the amount paid, and the Policy continues with the reduced Sum Assured and unaffected Account Value.

SECTION 4 - CHARGES

This Policy is subject to a premium charge, cost of insurance charge (which increases with the Life Assured's age), fund management charge levied by each sub-fund manager, and a policy administration charge. Full details and current rates are set out in the Fund Summary, which may be amended by AIA with 30 days' prior notice.

SECTION 5 - LAPSE AND INSUFFICIENT ACCOUNT VALUE

If the Account Value is insufficient to cover the monthly deduction of charges, and no additional premium or top-up is received within 60 days of notice, the Policy will lapse and all cover will cease with no residual value.

SECTION 6 - GOVERNING LAW

This Policy is governed by and construed in accordance with the laws of Singapore.
