IMPORTANT NOTES

Buying a life insurance policy is a long-term commitment. An early termination of the policy usually involves high costs and the surrender value, if any, may be less than the total premiums paid.

DISTRIBUTION COST DISCLOSURE

This policy is distributed by AIA-appointed financial services consultants. Commission and distribution costs are already reflected in the premium quoted and are disclosed in the Benefit Illustration provided at the point of sale.

TAX TREATMENT

Death and TPD benefits paid under this Policy are generally not subject to income tax in Singapore. This is general guidance only and not tax advice; consult a qualified tax advisor for your specific circumstances.
